

### Scoutbase Fete Saturday 10th June 2023 Fete starts at 1.00pm.

Our annual **Fete** returns this year. It is being held at our HQ Scoutbase in Pontcanna on Saturday 10th June. This is our major fund raising activity of the year and it is a considerable undertaking. The stalls we hope to run are listed below and we ask parents to help in any way they can

**Kiddies Corner** Designed to give the children some inexpensive fun. Essentially it is novelty games, like 'get the card right', 'spin the wheel', soft toy tombola etc

**Children's' Bazaar** We will be selling bric brac books, DVDs and CDs, children's toys, old computer games etc (not electrical items as we can't sell them). Please no old clothes  
Your contributions can be brought to Scoutbase in advance or on the day.

**China Shy** We have lots of china already so we don't really need any more this year. Thank you.  
The scouts help to run this stall, picking up & selling the balls and refilling the shy

**Homemade** Homemade cakes, biscuits, sponges or any other edible goodies. Please bring to scoutbase any time from noon on the day. Please note that cakes should be wrapped in cling film or similar.  
No fresh cream items please

**Plant Stall** Plants of any variety or size are welcome.

**Raffle** Items suitable for the Raffle Hamper are needed, and should be brought to Scoutbase during the week before the fete please.

**Refreshments.** We will offer tea, coffee, soft drinks and hot dogs.

**Novelty/Companion Dog Show** Bring the "extra member" of your family to show off at the Dog Show. There will be pedigree classes and non-pedigree classes. The Dog Show is popular because it is great fun and the judges are qualified people who really understand the entrants and their owners. Booking will start at 1.0pm. The show at 2.00pm

**Coconut Shy.** The explorer unit runs this – with great success!

**Wet sponges** – We hope to run this popular activity – but we need someone to get wet!

**Cub & beaver events** There will be the some fun events just for the cubs & beavers – e.g. obstacle course, tug of war, egg & spoon, sack race etc

**Volunteers** are required at 10.00 am to put up the stalls, at 1.00 p.m. to help run the stalls, then at 4.00 p.m. to pack up .

*If parents are able to help, please complete the slip below and return to your child's section leader*
