

The FETE Sunday 12th June

After a break of two years our annual Fete returned this year. It was held at our HQ Scoutbase in Pontcanna for the second time (it used to be in Victoria Park). It our major fund raising activity of the year and is a considerable undertaking.

It was a lovely afternoon and the fete was really well supported. So a huge thank you to all those parents and friends and children, that attended - we even had a visit from Mark Drakeford (He had children in the Group) - and many old friends came along with their grandchildren. Lovely to see them all. It was also nice to see 2 of our Community Constables giving us their support.

In particular, there was an amazing response from section leaders, parents, cubs & scouts to put everything up, run stalls, then take it all down again. We are really grateful for those who helped - we couldn't have done it without you. Also our thanks to Angela who judged the dog show this year & for several generous donations.

We were very grateful for the lovely items donated for the bric a brac & raffle and especially the wide range of homemade cakes. The plant stall also had a wide variety of donations - so get planting for next year!

This year we did run some Cub & Beaver events on the 'mound' but the dog show judging confused things a bit. We will have to look at timings for next time

The stalls all did very well. The individual takings were: Kiddies Corner £60, Bric a Brac £236, China Shy £171, Homemade £250, Plant Stall £167, Raffle £115, Refreshments £196, Dog show £144, Coconut Shy £156, Wet sponges £42.

After expenses are taken -

The overall income for the group was **£1377**.

A brilliant result - far better than our best expectations!

So thank you once again, to everyone who helped make the day such a success

Group website

We have finally reached the 21st century and now have our own website. The website is finally complete and now live! The link is below - Thanks to Dan & Martyn (from Edinburgh) for doing this
